## Program: Rea Beardsley, Computer & Cell Phone Forensics *Come and Bring a Prospective New Member*

### GUIDING PRINCIPLES

Kiwanis members are guided by these key principles:

- To give importance to the human and spiritual rather than the material values of life.
- To encourage living by the Golden Rule.
- To promote higher social, business, and professional standards.
- To encourage and be servant leaders.
- To build Kiwanis clubs that build lasting friendships and serve and strengthen local communities.
- To promote justice, patriotism and goodwill.

### Last Friday

Tennessee Division Commander Rey L. Beardsley from Hixson, TN. Dressed in military fatigues, Col. Beardsley used a power point presentation to challenge our club members to be prepared at all times for the real possibility of some kind of natural or man-made disaster.

Col. Beardsley stressed that everyone should be prepared to survive a disaster for at least 72 hours until FEMA gets on the scene. He encouraged us to have a personal and/or family preparedness plan and to have on hand a basic disaster kit. Helpful materials were provided and members were encouraged to go to the U.S. Service Corps web site which is [www.ussc@ussc.us](http://www.ussc@ussc.us).

## *“The Rest of the Story”*

Secretary **Bob Segrest** announced that Perfect Attendance pins for 2006-2007 will be handed out at next Friday's meeting on January 11<sup>th</sup>. Eight of our members will receive Perfect Attendance pins.

**Joyce Brooks** has agreed to oversee the BUGS (Bringing Up Grades Successfully) program in various East Brainerd elementary schools during this school semester. She will be seeking various Brainerd Kiwanians to assist, but members are encouraged to volunteer right away for this successful Kiwanis International program. Materials have been ordered.

**Gene Howard** reported on the condition on his grandson who is miraculously recovering from a serious fall that paralyzed his lower body for several months. The young man has been released from the hospital and is gaining use of his legs. Gene thanked his fellow Kiwanians for their prayers and encouraged them to keep them up.
