### Did You Know?

#### Kiwanis Develops Leaders!

Since 1925, Kiwanis International has positively impacted the lives of young leaders through its youth leadership organizations: Key Club and Circle K. Many credit these programs for their **first taste of leadership**, including senators, governors, university presidents, corporate executives, and a United States president.

Today's Banner

#### OUT OF THE CLOSET

Great to see that beautiful, old Kiwanis banner flying at last week's meeting! What an ordeal it's been through... hidden away all this time pretending to be like all the other Kiwanis banners flying high at Club meetings throughout the world!

Question: Do you like that one as well as the one they're flying nowadays?
